HOUSE RULES

Kitchen Rules

1. If you burn it, you own it. (Toast included.)
2. The dishwasher doesn't load itself. We've asked.
3. Whoever cooks doesn't wash up. That's the rule. (The cook wrote the rules.)
4. Leftovers left in the fridge are a gift to the next guests.
5. The smoke alarm is very sensitive. So is the chef.

Bon appétit.
