HOUSE RULES

Pet Rules

1. Good dogs welcome. Their humans too.
2. Paws off the furniture. Yes, even that cute face.
3. Every walk ends with a pick-up. Poop bags are by the door.
4. Barking counts as music only until 10 pm.
5. Pets don't stay home alone. We've seen what happens to the couch.

Who's a good guest? You are.
