HOUSE RULES

# Pool Rules

1. Shower before you swim. The pool has standards.
2. No running. Walking fast and looking cool is fine.
3. No glass by the pool. Bare feet and broken glass don't mix.
4. Kids swim with a grown-up watching. Phones down, eyes up.
5. Cannonballs are allowed. Tidal waves over the fence are not.

***No lifeguard on duty. Swim at your own risk.***
